 Sizes may vary depending on fabric, filling material, upholstery and carpet thickness. All measurements taken on concrete floor using levels and metal rulers.

### User-friendly feature of every UltraComfort lift and recline chair:

Easy to use battery backup system. Each UltraComfort lift and recliner has a battery backup system in the electrical transformer which operates on two 9 volt batteries. In the event of a power failure, the battery system will raise the chair from the reclined to the seated position. The batteries should be replaced after one use.
