UltraPlush Brisa® Collection of Performance Fabrics

These unique fabrics will enhance any relaxing experience with their one-of-a-kind characteristics:

- Breathable technology allows airflow to maintain a constant temperature
- Plush and luxurious feel enhances comfort
- Developed to withstand above average wear and tear and constructed to be 10 times more durable than the industry standard for fabric
- Cleans effortlessly with soap and water, releases light stains with alcohol based household cleaner and disinfects with a 5:1 water/bleach solution for ease of care

The UltraPlush Brisa® Collection is made up of three different types of Brisa®:

UltraPlush Brisa®
